

## Why Choose Us

### Mix and Match

Choose from a range of options to put together your own bespoke training relevant to your organisation, and your industry.

### Tailored Approach

We don't deliver one size fits all training, it's not meaningful or useful. We will work with you to put together a schedule that speaks directly to your team.

### Engaging Resources

We don't deliver lectures, we like to use multi-sensory learning techniques for hands on sessions delivered by lovely humans

## About Us

The Dyslexia Association is a registered charity no. 1082345 and a company limited by guarantee registered in England and Wales no. 03941946.

Since 1971 The Dyslexia Association have been providing specialist assessments, screening, tuition and training for children and adults with dyslexia, and more recently we have been providing services and support for everyone who identifies as neurodivergent.

We are a collective of specialised teachers, educators and assessors with years of experience between us. Our head office is in Nottingham and we work across all areas of the UK.

We have created a range of services which are easy to access, of really high quality, and delivered by a group of lovely humans.

## Our Speciality Services

### Education & SEN

Our speciality is working in education. We are a collective of teachers and educators from across all phases of education and between us we have lots of experience of working in SpLD in schools, colleges, and alternative education settings

### Dyslexia Diagnostics

The majority of our associates are also practising dyslexia assessors. We have a thorough understanding and knowledge of diagnostics including the SpLD testing regime and up to date data and research

### People Management

Lots of awareness training is available out there, but ours is delivered with people management at it's core. Our down to earth approach means we are straight forward offering practical, realistic advice.
